DESCRIPTION/SPECIFICATIONS/WORK STATEMENT

On the Frontlines of COVID-19: Capturing CDC's Global Impact through Images and Video
Technical Requirements

Purpose

Stories told through the images and videos developed and shared in real time will make it possible for CDC to visually demonstrate successes in meeting Objectives 1-11*. Sharing these early successes with countries, partners, and policymakers will help show the impact of CDC's global work and increase its credibility and trust world-wide. At the same time, sharing these successes will leverage existing global health programs, subject matter expertise, and activities (Objective 9) that are integral to CDC's COVID-19 response. Ultimately, this will not only strengthen our impact for the duration of the global COVID-19 response, but also grow CDC's capacity for future responses (Objective 12.)

Deliverables

The completion of 6 unique stories (2 in photographs, 4 in video) specific to CDC's work in Thailand as it relates to COVID-19. Each story will demonstrate CDC's support to the global COVID-19 response. Possible examples: CDC-supported labs testing for COVID-19, emergency operation center, case investigation/contact tracing, and healthcare worker surveillance. Location for photos/videos include MaeSot, Nonthaburi, and Bangkok.

Specific outputs are detailed below. All outputs are required in American English.

Output 1

Deliverable 1.1: A set of at least 50 high-resolution, fully captioned photographs to showcase CDC's involvement with COVID-19 response in Thailand. Photos should follow CDC guidelines (see attachment).

Deliverable 1.2: CDC will develop two photo stories, which will require at least 10 images per story (total 20 photos). Each photo story will showcase CDC's involvement in the response. All photos should be accompanied by date/location and photo credit.

Deliverable 1.3: CDC signed consent forms from all people who are identifiable in all the photos, with clear documentation explaining which consent form(s) are associated with each photo. Signed consent form from photographer releasing photos to be used by CDC.

Output 2

Deliverable 2.1: Four video stories, each under 3 minutes, highlighting different aspects of CDC's COVID response intervention and including on-site interviews with Ministry of Public Health and CDC-Thailand staff. In addition, two of the videos will be utilized on social media and should be under one minute each. Videos should follow CDC guidelines (see attachment).

Deliverable 2.2: Videos should be accompanied by full, detailed shot list containing filming dates, precise locations, names of people filmed and/or interviewed, medical/technical information about actions filmed. Each video should have a transcript word document and captions in a .SRT file. Deliver all the usable raw footage grouped in folders per day and locations. CDC will provide link to online storage for transfer of footage/videos.

Deliverable 2.3: Raw footage should also contain the recording of video consent statements by people filmed. Signed consent form from videographer releasing videos to be used by CDC. Project must be completed within 1 year of contract award. However, contracting agency will be expected to provide completed products within 30 days of filming/photography session, so that CDC will receive photos and videos on a rolling basis.

Final product use —finished video package, B Roll footage¹, and still photos—will be shared across CDC and embassies and will be multipurpose and multifunctional: sharing video snippets on global social media posts, running the video packages in the Emergency Operations Center for Congressional Tours, inserting still photographs and video snippets into scientific presentations. Photos and videos will also be used for a response exhibit by the CDC Museum, added to CDC's Image Library, and much more. Photographs can be used on CGH web pages, factsheets and other products.

CDC Staff Role:

CDC staff will provide oversight to ensure project will be completed on or before the proposed end date.

CDC staff will help identify potential CDC COVID-19 response stories, and local points of contact. All photo stories and video proposals will be approved in advance by CDC. In addition, CDC will help ensure video and photos are technically accurate, for example, that those pictured in the photos are wearing appropriate PPE. Finally, since finished products will be received on a rolling basis, CDC headquarters staff will develop and implement a structure to immediately share new products within CDC and with partners, so they can be put to immediate use.

Contractor Role:

The Contractor will oversee all aspects of producing compelling photo and video stories representing Thailand. There will be a clear focus on fragile states and vulnerable populations. The contracting agency will perform all aspects of hiring, contracting, and delivering final photos, videos, stories, and proof of consent.

(End of clause)

Add the following clause in full text:

52.229-12 TAX ON CERTAIN FOREIGN PROCUREMENTS—NOTICE AND REPRESENTATION (FEB 2021)

(a) *Definitions.* As used in this clause—

Foreign person means any person other than a United States person.

United States person, as defined in [26 U.S.C. 7701\(a\)\(30\)](#), means—

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(4) Any estate (other than a foreign estate, within the meaning of [26 U.S.C. 7701\(a\)\(31\)](#)); and

(5) Any trust if-

(i) A court within the United States is able to exercise primary supervision over the administration of the trust; and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) This clause applies only to foreign persons. It implements [26 U.S.C. 5000C](#) and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c)

(1) If the Contractor is a foreign person and has only a partial or no exemption to the withholding, the Contractor shall include the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, with each voucher or invoice submitted under this contract throughout the period in which this status is applicable. The excise tax withholding is applied at the payment level, not at the contract level. The Contractor should revise each IRS Form W-14 submission to reflect the exemption (if any) that applies to that particular invoice, such as a different exemption applying. In the absence of a completed IRS Form W-14 accompanying a payment request, the default withholding percentage is 2 percent for the section 5000C withholding for that payment request. Information about IRS Form W-14 and its separate instructions is available via the internet at www.irs.gov/w14.

(2) If the Contractor is a foreign person and has indicated in its offer in the provision [52.229-11](#), Tax on Certain Foreign Procurements—Notice and Representation, that it is fully exempt from the withholding, and certified the full exemption on the IRS Form W-14, and if that full exemption no longer applies due to a change in circumstances during the performance of the contract that causes the Contractor to become subject to the withholding for the 2 percent excise tax then the Contractor shall—

(i) Notify the Contracting Officer within 30 days of a change in circumstances that causes the Contractor to be subject to the excise tax withholding under [26 U.S.C. 5000C](#); and

(ii) Comply with paragraph (c)(1) of this clause.

(d) The Government will withhold a full 2 percent of each payment unless the Contractor claims an exemption. If the Contractor enters a ratio in Line 12 of the IRS Form W-14, the result

of Line 11 divided by Line 10, the Government will withhold from each payment an amount equal to 2 percent multiplied by the contract ratio. If the Contractor marks box 9 of the IRS Form W-14 (rather than completes Lines 10 through 12), the Contractor must identify and enter the specific exempt and nonexempt amounts in Line 15 of the IRS Form W-14; the Government will then withhold 2 percent only from the nonexempt amount. See the IRS Form W-14 and its instructions.

(e) Exemptions from the withholding under this clause are described at 26 CFR 1.5000C-1(d)(5) through (7). Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the [26 U.S.C. 5000C](#) tax are adjudicated by the IRS as the [26 U.S.C. 5000C](#) tax is a tax matter, not a contract issue.

(f) Taxes imposed under [26 U.S.C. 5000C](#) may not be—

- (1) Included in the contract price; nor
- (2) Reimbursed.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.

(1) Are, are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) Have, have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. (B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. **For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.**
